

GUIDANCE FOR APPLICANTS

INTRODUCTION

Thank you for your interest in working for [school name]. Our recruitment procedure is intended to ensure that we not only appoint the right person to the job on the basis of merit, but that everyone who expresses an interest in working for the school is treated efficiently and courteously. To help achieve this aim the school is committed to giving you reasonable time to apply for a job, treating you with respect and fairness and being open in relation to our recruitment and selection process.

Please read the following sections carefully. They will provide you with information about how we select people for jobs and help you maximise your chances of success.

COMPLETING THE APPLICATION FORM – GENERAL GUIDANCE

Please complete your application form using type or BLACK or DARK BLUE ink.

The application form must be completed in full. If any section does not apply to you, please write N/A in the space provided.

A Curriculum Vitae (CV) can be enclosed as a supporting document, but not as a replacement for any part of the application form. Therefore, you should read and complete each section of the form. You may consider doing a rough draft before completing it.

The application form is your opportunity to show us that we should interview you. We will have provided you with a job description, which lists the main tasks of the job, and a person specification, which lists the qualities we are looking for in the applicants and you should use these documents as a guide in completing the application form. If you do not show us how you meet the requirements, you will not be invited to interview. However, it is important that you only provide information that is relevant to the post you are applying for.

You may include information about voluntary activities and/or employment that is relevant to the post you are applying for.

If there is insufficient space in any section of the application form, you may continue on a separate sheet(s) if necessary.

In the interests of economy we do not normally acknowledge receipt of completed application forms and only contact shortlisted candidates. Nevertheless, the school sincerely appreciates your interest in the post.

INFORMATION FOR APPLICANTS

EQUAL OPPORTUNITIES

The school's Equal Opportunities Policy applies to the employment of all staff and fully supports the principle of equal opportunities in employment and firmly opposes all forms of unlawful or unfair discrimination on the grounds of colour, race, nationality, those with dangerous transmittable diseases (e.g. Hepatitis & HIV), ethnic or national origin, gender, marital status, sexuality, age, disability, trade union membership, religious belief, and offending background.

The school's equal opportunities policy requires that the recruitment process must lead to the employment of the most suitable individual for the job, taking into account only experience, skills, abilities and qualifications.

To assist us in monitoring the effectiveness of our equal opportunities policy your information pack includes a monitoring form. The form is used for monitoring purposes only and plays no part in the selection process. The monitoring form is separated from the application form upon receipt. We hope that you will complete and return it with your application form.

JOB SHARING

All jobs within the school can be considered for job share.

REHABILITATION OF OFFENDERS ACT 1974

All applicants are required to declare any unspent convictions under the Rehabilitation of Offenders Act 1974 as amended. However, all posts require applicants to obtain a Disclosure from the Criminal Records Bureau (CRB).

The school complies fully with the CRB Code of Practice and a copy of this is available on request.

The Vetting and Barring Scheme launches in October 2009, administered by the Independent Safeguarding Authority (ISA). From that date it will become a criminal offence for a barred individual to seek or undertake work with vulnerable groups, and for employers to knowingly take them on.

From July 2010, applications for ISA registration for all new applicants applying to work with children and existing staff who are moving jobs will start. There will be a new CRB form to complete which allows them to apply for registration with the ISA as well as a CRB check.

For more information on the ISA, please go to www.isa-gov.org.uk

ASYLUM AND IMMIGRATION ACT 1996

The Asylum and Immigration Act 1996 requires the Council to ensure that it does not employ people who are not entitled to live or work in the UK. Therefore, you will be asked to provide two of the following documents during the appointment process.

- A document showing your National Insurance Number (e.g. a P45, P60, payslip, a National Insurance card).

- A passport confirming British or EU citizenship, or which shows the entitlement to live and work in the UK.
- A birth certificate.
- A letter from the Home Office confirming that you are allowed to work in the UK.
- We will advise you of the stage of the recruitment process that you will need to provide such documents.

The school must receive references that are satisfactory to us before any offer of employment can be made. One reference must be from your current or most recent employer, where applicable.

The school is required to ensure that all appointments are on the basis of merit, and that there is no conflict of interest between its governors and employees. Therefore, you are required to declare in writing whether you are related in any of the ways described below, to any current governor or employee of the school, or to the partner of such a person. The declaration of any such relationship will not disqualify you from consideration. However, to ensure that the school's recruitment decisions are seen to be fair and on merit, the appointment of an applicant with such a relationship(s) must be authorised by the Chair of Governors and Headteacher.

The relationships that must be declared are:

- | | |
|------------------------------------|---------------------------|
| ▪ Parent (incl. In-laws) | ▪ Brother (incl. In-laws) |
| ▪ Grandparent | ▪ Sister (incl. In-laws) |
| ▪ Partner (whether married or not) | ▪ Uncle |
| ▪ Child | ▪ Aunt |
| ▪ Stepchild | ▪ Nephew |
| ▪ Adopted child | ▪ Niece |
| ▪ Grandchild | ▪ Dependant |

A failure to disclose any such relationship or directly, or indirectly seeking the support of any governor or employee for any appointment with the school, will be investigated. Candidates should be aware that this may lead to disqualification or may be dealt with under the appropriate procedure which may include the Disciplinary Procedure.

Any candidate who is unsure whether or not a relationship should be declared (or where the relationship is one not listed above) is advised to contact the school.

SHORTLISTING

Applicants will be shortlisted on the basis of the information they provide via the Council's application form and supporting documents.

INTERVIEWING

In order to ensure fairness, selection will be made in all cases following an interview with a panel of at least 2 school employees. For senior management posts, the selection will involve an interview with a panel including governors.

Depending on the number of shortlisted applicants, there may be a preliminary interview to select who will progress to a final interview.

If, in addition to an interview, there are any tests or a lesson to teach as part of the selection procedure, you will be given details if you are shortlisted. Where candidates are

required to make a presentation or teach a lesson the school will make the necessary facilities available.

MEDICAL CLEARANCE

Any appointment will be subject to medical clearance. In order to progress your application, you will be asked to complete a medical questionnaire and return it under confidential cover to the school's medical advisor. In some circumstances the candidate may then be required to undergo a medical examination.

EXPENSES

Reasonable expenses incurred in connection with attending an interview or tests that form part of the selection procedure will be reimbursed on the basis of rates adopted by the school unless the post offered is refused. A claim form will be provided for your use.

DATA PROTECTION ACT

The school fully supports and adheres to the principles detailed in the Data Protection Act 1998. Please note that the information you give us in connection with your application may be processed by a computer or manually, but in any event, will only be used for recruitment and selection purposes. Should you become employed by the school, some of the information may be put onto manual and computerised staff records.

Do you describe yourself as having a disability in accordance with the Disability Discrimination Act? (see guidance notes below)

Yes No

Disability Discrimination Act (2005)

The Disability Discrimination Act (DDA) defines a disabled person as someone who has a physical or mental impairment that has a substantial and long-term adverse effect on his or her ability to carry out normal day to day activities.

For the purposes of the act

- Substantial means neither minor nor trivial
- Long term means that the effect of the impairment has lasted or is likely to last for at least 12 months (there are special rules covering recurring or fluctuating conditions).
- normal day to day activities include everyday things like eating, washing, walking and going shopping.
- normal day-to-day activity must affect one of the 'capacities' listed in the Act which include mobility, manual dexterity, speech, hearing, seeing and memory.

Some conditions, such as a tendency to set fires and hay fever, are specifically excluded. People who have had a disability in the past that meets this definition are also covered by the scope of the Act. There are additional provisions relating to people with progressive conditions.

The DDA 2005 amended the definition of disability. It removed the requirement that a mental illness should be 'clinically well-recognised'.

It also ensured that people with HIV, cancer and multiple sclerosis are deemed to be covered by the DDA effectively from the point of diagnosis, rather than from the point when the condition has some adverse effect on their ability to carry out normal day-to-day activities
