SCHOOL ASSEMBLY/ COLLECTIVE WORSHIP POLICY

October 2017

Status : Statutory

Next revision due : October 2018

Reviewed and monitor by : Assistant Headteacher - Pastoral

Agreed by : Local Governing Body

**Signed by Chair of Local
Governing Body** :

1. RATIONALE & PURPOSE

This policy outlines the principles and procedures we have implemented to ensure that we strive to meet the statutory requirements for providing engaging and informative school assemblies and collective worship.

2. POLICY STATEMENT

Aim:

To provide all pupils with a meaningful act of corporate worship that supports their spiritual, moral, personal, social and cultural development. Assemblies provide an opportunity to develop a community spirit, a common ethos and shared values and extend students' understanding of a variety of spiritual, moral, social and cultural issues.

3. GUIDING PRINCIPLES

- Collective worship must be inclusive – it should celebrate and affirm difference and diversity. Personal integrity should be respected.
- Collective worship should develop a sense of community – attempts will be made to bring together sections of the school such that different year groups meet.
- Collective worship should enable participants to be actively involved either as part of the delivery or as an opportunity to reflect on what is presented.
- Collective worship should promote spiritual, moral and cultural development – allowing the exploration of moral issues drawn from a variety of religious traditions, cultures and areas.
- Collective worship should be a special time – a period of reflection in a busy school day.
- Collective worship should be of high quality – it should be carefully planned, use a variety of resources and use effective presenters. It should always be positive.
- Acts of worship should provide the opportunity for pupils to worship their God – this may take the form of silence in which individual pupils can worship in an appropriate way.
- Most acts of worship should contain some elements which relate specifically to the traditions of Christian belief – the school should have a record of the themes taken but not all acts of worship require bible readings.

Location

Collective acts of worship will take place in the Wendy Owen Hall. Currently the capacity of the Hall is only sufficient for one year group at a time.

Years 12 and 13 assembly will take place once a week in the Church opposite the school.

Presenters

All assemblies are led and managed by the respective Year Manager with support from the Assistant Headteacher responsible for Pastoral Support, the link senior leadership team (SLT) member and Progress Leader (PL). It is the school's policy to involve a wide range of speakers and volunteers drawn from within the school and the wider local community.

Any presenters must follow the principles stated above.

The active involvement of pupils or groups of pupils is positively encouraged.

Content

This should be of a broadly Christian and spiritual nature and should explore some relevant moral issue. British values are an inherent part of our assemblies. There is no requirement to include bible readings although this may be appropriate at times. If the bible is used, care should be taken that the reading is in appropriate language for the target pupils.

It is school practice to acknowledge and use religious festivals and current events in the content of assemblies.

The Progress Leader responsible for assemblies has a selection of resources to support the planning and preparation of assemblies along with some on the 'I' drive and all staff are free to make use of these. The PL responsible for assemblies manages this.

Attendance

All learning tutors and learning mentors are expected to attend assembly with their year group and should sit where directed to do so by the Year Manager and / or CPPL SLT are represented at every assembly.

All staff and pupils are expected to attend assemblies unless they exercise their right to withdraw on grounds of conscience. In this case they should state this in writing to the Headteacher.

Timing

One assembly occurs in our hall every morning for 25 minutes. Each year group gets one assembly a week. Years 12 and 13 organise their own rota and use the local church.

4. CONSULTATION GROUP

Each year the draft assembly rota is made available to staff in the summer term for feedback prior to its implementation the following September.

5. LINKS TO OTHER POLICIES & DOCUMENTS

There are no links to other policies and documents.

6. MONITORING & EVALUATION ARRANGEMENTS

The monitoring and evaluation of assemblies and collective acts of worship is carried out by SLT and Governors on a sampling basis.

7. ROLES & RESPONSIBILITIES

The CPPL responsible for assemblies is responsible for planning and implementing the assembly rota. Year Managers are responsible for the day to day management and organisation of assemblies with support from the relevant CPPL and Learning Tutors. Year Managers are responsible for the orderly arrival and dismissal of their year groups.

Year Managers will allocate assembly themes and dates to a variety of tutors and tutor groups throughout the academic year. CPPLs are responsible for Achievement Assemblies and the Attendance Officer is responsible for Attendance Assemblies.

September 2017 update: The assembly rota has undergone review this academic year, with greater flexibility to allow some small group presentations in tutor groups throughout the year. See Appendix 1 for the revised rota.
